Dear All,

RE: JUJA PHASE II PLOTS PROJECT.

Further to our earlier circulars and resolutions pertaining to Juja Phase II, we hereby inform as follows:

1. That those members who committed themselves for the purchase of Juja II residential plots and are yet to complete payments have up to 31st August, 2014 to complete the required payments or risk revocation of the plots reservations.
2. The purchase price for the few remaining residential plots have been reviewed to Ksh. 600,000 per plot (necessitated by the rising bank interest charges) from now upto 30th August 2014 for members and Ksh. 650,000 for any non members.
3. For those affected and are interested you are kindly requested to liaise with the office and pay directly to Cooperative Bank of Kenya, Coop House Branch A/c. No. 01100002215800 as a commitment before submitting the banking slip to the office for receipting.
